

To Whom This May Concern

This is to confirm that **Archana Pattabhi** has participated in the **2024** Globbee® Awards as an industry expert member of the jury in the following awards programs:

- Globbee® Awards for Technology Excellence
- Globbee Awards for Leadership
- Globbee Awards for Golden Bridge
- Globbee Awards for Business
- Globbee Awards for Women in Business

The Globbee Awards hold significant value as a symbol of excellence and achievement. They provide a platform for organizations and individuals to gain recognition on a global scale.

Winning a Globbee Award signifies exceptional performance, innovation, and success in one's industry. The awards not only celebrate individual accomplishments but also inspire others to strive for excellence and set new benchmarks. Being honored with a Globbee Award enhances an organization's reputation, builds credibility, and opens doors to new opportunities. It serves as a testament to the hard work, dedication, and talent of the winners, positioning them as leaders and influencers in their respective fields.

The Globbee Awards judges are a panel of industry experts, executives, and professionals from diverse fields who have a wealth of experience and knowledge in their respective areas. They are selected based on their industry expertise, leadership skills, and ability to evaluate the quality of the nominated entries. The judges are responsible for reviewing and scoring the entries based on predefined criteria to select the most deserving winners. They bring objectivity and fairness to the awards process, ensuring that the best entries win.

Here are more details about the Globbee Awards <https://globbeeawards.com>

Archana Pattabhi is a distinguished Senior Technology Executive with a robust career spanning over 21 years, marked by expertise in Regulatory Compliance, Risk Reduction/Remediation Strategy, Business Intelligence and AI Data Insights driven Risk Quantification. An advocate for innovation and thought leadership, Archana is a sought-after keynote speaker and panelist at industry events, sharing her insights on topics ranging from AI-driven risk reduction strategies to Data Governance and Regulatory Compliance. Her expertise and strategic vision have earned her accolades for spearheading transformative initiatives across global financial institutions in the USA and Australia, including recognition as a Judge at prestigious awards programs and as a mentor at leading technology forums. Archana is a Forbes Technology Council member, Royal Fellow at the International Organization for Academic and Scientific Development (IOASD), and a SAS Eminent Fellow at the Scholars Academic and Scientific Society (SAS/SEFM/374/2024).

If you require further information regarding the participation of **Archana Pattabhi** as an industry expert and judge at the Globbee Awards, please contact the undersigned.
